#### Payment of Fees

Tuition and Fees are due by the published due dates established in the Academic Calendar or at the time of registration. The Board of Trustees establishes the tuition and fee rates which are subject to change pending Board action.

#### Description of Charges and Fees

##### Instructional Fee (Tuition Per Credit Hour)

In-state rates apply for residents of Ohio, or West Virginia counties of Hancock, Brooke, Ohio, Marshall, or Wetzel.

##### General Fee (Per Credit Hour)

Assessed to defray costs of student support services such as Advising, Testing Center services, and Learning Commons.

##### Technology Fee (Per Credit Hour)

Assessed to support the maintenance of campus technological infrastructure and software to expand technology based learning such as software licenses, upgrades, and web access.

##### Career Services Fee (Per Credit Hour)

Assessed to support resources to help students prepare for successful post graduation employment.

##### Auxiliary Fee

**(Per Credit Hour when enrolled in 4 or more credit hours)**  
Assessed to provide a common platform for all instruction and accessing digital educational resources to prepare students for technology-driven careers.

##### Student Life Fee (Per Semester)

Each semester, a student life fee is charged to support many activities throughout the year.

##### Course and Lab Fees (Per Course, if Applicable)

Assessed to cover cost of consumable materials, such as equipment maintenance, supplies, liability insurance and other costs associated with certain courses. Not all courses are assessed course fees. Course fees are subject to change.
