

Addendum
to the
Master Articulation Agreement
by and between
Ohio University and Belmont College

This Addendum to the Master Articulation Agreement (“Addendum”) is entered into on July 1, 2025 (the “Effective Date”) by Ohio University (“University”), with an address of Athens, OH 45701; and Belmont College (“College”), with an address of 68094 Hammond Rd., St. Clairsville, OH 43950, collectively referred to as the “Parties.”

WHEREAS, University and College entered into a Master Articulation Agreement effective July 1, 2018 (“Agreement”);

WHEREAS, the Parties wish to supplement the Agreement to allow for students of the College to be eligible for articulated course credits at University; and

WHEREAS, the terms contained in this Addendum are specific to the degree program at each institution as set forth below.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained in this Agreement, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Degree Program(s).
 - a. College: **Completed associate degree** (“College Degree Program”)
 - b. University: **Bachelor Of Science, Integrated Healthcare Studies major** (“University Degree Program”)
2. Term. This Addendum will commence on July 1, 2025 and terminate on June 30, 2027.
3. The University Degree Program will be delivered in the following modality(ies): Online or on campus coursework
4. The College Degree Program is accredited by the following accrediting body/program certification: Higher Learning Commission.
5. Designated representatives from each institution will confer annually to review this Addendum as necessary, based on curriculum changes. Articulation courses may be added or removed from the articulation table at that time.
6. This Addendum defines a pathway by which a student could articulate the College Degree Program into the University Degree Program. Due to individual student factors, including but not limited to part-time or full-time status, need for developmental coursework, scheduling and availability of courses, all students may not be able to complete the listed pathway in the time projected. This Addendum does not guarantee the completion of a baccalaureate in four years, or in two years beyond the associate degree level.

Belmont College – Ohio University Plan

Integrated Healthcare Studies Pathway

The Integrated Healthcare Studies (IHS) major is designed as a completion degree for individuals who have completed at least 60 semester hours in an allied health-related discipline; or for those students who have started an undergraduate health related program and have decided a more general health degree better suits their educational goals. The IHS program provides students a pathway to continue their education, increase career possibilities, and creates a pathway to graduate education. The Integrated Healthcare Studies program responds to the need of an increasingly complex state of the American healthcare system by providing opportunities for students to acquire vital knowledge and skills that will be critical in practicing and navigating the healthcare system. Not only is the healthcare system becoming more complex; healthcare professions, and healthcare support, are among the fastest growing occupations with the increased expectation that higher levels of education will be required.

Online Convenience. Ohio University Quality.

- Review study materials and submit assignments online.
- Learn from distinguished professors with clinical experience.
- Progress through the degree in consultation with an Ohio University academic advisor.
- Flexibility to choose classes for your specific needs and most IHS courses are held in 7-week increments.

Admission Requirements

- Any associate degree or 60 semester (90 total quarter) hours in a health-related field from a regionally accredited college or university.
- Students must have completed at least one course in each of the following areas: 1) mathematics, logic, statistics, or quantitative reasoning 2) English composition 3) biological or natural sciences and 4) psychology, sociology, social work, or social sciences.
- Students must have completed at least 9 semester hours in additional courses with a health or medical focus such as: First Aid and CPR/AED, Medical Terminology, and courses with the Ohio University prefixes BIOS (Biological Sciences), HTCH (Health Technology), MAT (Medical Assisting Technology), HST (Human Services Technology) or HLTH (Health). Others will be considered.
- A minimum combined GPA of 2.67 (B-) from all prior college-level coursework.
- All official transcripts submitted to Ohio University at the time of application.
