60-69 = 1; 70-79 = 2; 80-89 = 3; 90-100 = 4

Section	Score	Points
Reading		
Math		
Science		
English		
Composite Score		
Total Points		

Applicant Name: _____

Total Points: _____

Students will be selected based on total ranking points. In the event of a tie, applicants will be ranked first by the higher actual TEAS composite score, then by the higher actual TEAS science score, and finally by the higher GPA used in the ranking calculation. If a student is not admitted to the fall class, they must submit a reapplication for the next year's class.

Revised: 11/2026
