**Subsidized Loans** are awarded on the basis of financial need. The federal government pays the accrued interest while the borrower is enrolled at least half time. - First time borrowers must also** complete an online Master Promissory Note (MPN) at <https://studentaid.gov>.

Step 4: Understanding Your Student Loans

Please read and INITIAL each item:

-  1. I understand that this loan is a debt that must be repaid. Failure to repay or allowing this loan to go into default will negatively affect my credit rating and will make me ineligible to receive any future Federal Aid while in default.
-  2. I understand that I may not receive the full amount I have requested due to other aid I have been awarded and my financial aid budget for the current term. I will check MyFAO or my current award letter for the term budget.
-  3. I understand that my loan will be disbursed in two equal installments. The first disbursement will be applied to my tuition bill after 30 days of the start of the semester. The second disbursement will be applied after the mid-point of the semester. I will review the disbursement/refund schedule that can be found on [www.belmontcollege.edu](http://www.belmontcollege.edu) for exact dates for each term.
-  4. I understand that I must maintain enrollment in a minimum of six (6) credit hours. My loan award amount will be based on the number of hours I am in enrolled in **AND** attending at the time of each origination and disbursement. Financial Aid will verify my attendance before disbursing my loan funds.
-  5. I understand that if I drop or withdrawal from a class, drop below 6 credit hours or withdraw completely, my loans may be reduced or cancelled and could cause me to owe a balance to Belmont College.
-  6. I have completed the required Master Promissory Note at <https://studentaid.gov>. This is required once every ten (10) years.
-  7. If this is my first Federal Direct Loan, I have completed the required Entrance Counseling at <https://studentaid.gov>. I understand that for every additional loan request, I will complete the Annual Student Loan Acknowledgment also online at <https://studentaid.gov>.
-  8. I understand that if I drop below 6 credit hours, graduate, or withdraw completely, my loans will enter their grace period and repayment will begin in 6 months. If I drop below 6 hours, graduate, or withdraw completely, I will complete the required Exit Counseling session at <https://studentaid.gov>. I will also sign into <https://studentaid.gov> and retrieve my loan servicer information so I can contact them about my repayment options.
-  9. I understand that if I am a direct loan borrower, subsidized loan interest is limited to the 150% maximum time-frame limit based on my program length. Subsidized interest will end on my loans if I reach the 150% maximum time-frame limit before I graduate from my program. I will visit MyFAO for additional information.

*My signature below certifies the following: All of the information provided is accurate and complete. I am requesting a loan for the amount indicated above or the lesser amount for which I am eligible. I understand that a loan will not be processed if I have not completed ALL requirements or if I fail to meet the eligibility criteria. The funds from this loan will only be used for educational expenses. The balance of my tuition and fee charges will be deducted from this loan before any refund issued. I understand that this is a Federal Loan that I must repay.*
