Nursing Entrance Exam ATI TEAS Each section worth total of 3 points Maximum 15 points for TEAS scores 81% and above = 3 80 to 71 = 2 70 to 61 = 1	• Total Exam Score			
	• Reading Score			
	• Math Score			
	• Science Score			
	• English & Language Usage Score			
Total points for ranking	• Maximum of 23 total points			

The class for fall admission will be chosen based upon the ranking system. Those students scoring higher on the ranking criteria will be chosen before lower ranked students. In the event of a tie in ranking, the admission test total score will be considered to break the tie. If a student is not admitted into the fall class, a reapplication for admission must be submitted for the next year's class. The student will be required to compete with the general applicant pool at that time. ~ Ranking points will not be awarded for courses that have not been reported out as a traditional letter grade. Credit for meeting course requirements will be given for course(s) reported as a pass under the pass/fail grading option. TEAS scores are NOT rounded. Revised 12-2019, 11-2020, 3-3021, 9-2021 ksFox
