Please Read:

- * All information including pricing is subject to change on a daily basis.
- * Bookstore is not responsible for purchases made elsewhere using this information.
- * Students purchasing from the bookstore are protected by following our return policies.

NOTE: Photo ID required along with book voucher for financial aid charges and paper copy of schedule for self pay.

Please note that a listing of new and used prices does not guarantee that both will be available.

*Cengage Unlimited is a digital subscription. For one price, you get access to most digital Cengage products. For courses using supplemental digital materials, one semester access is \$124.99, one year is \$189.99. For courses using the ebook only, one semester access is \$69.99.

You will need to purchase only one code.
Check with your instructor to see which version you need.

If one of your instructors uses the supplemental materials, you'll need the \$124.99 or \$189.99 version.

If your schedule requires multiple Cengage ebooks, you can save quite a bit!
Still want a print book for your activated ebook?

For just \$9.99 shipping, you can order a rental directly from cengage.com.
